

# Zhijie “Jessie” Tian

Pikesville, MD | +1 (410) 240-1607 | jessietian7@gmail.com

## Objective

Computer Engineering student with hands-on QA experience in web and mobile application testing. Skilled in regression testing, bug documentation, test case design, and technical communication. Programming experience in Python, Java, C, and SQL, with strong bilingual communication skills in English and Mandarin. Seeking a software engineering or QA internship focused on building reliable, user-centered technology.

## Education

**University of Maryland, College Park** — College Park, MD Sept 2024 – May 2028

- B.S. in Computer Engineering, expected May 2028
- Relevant Coursework: Java, Python, C, SQL, Calculus, Linear Algebra

## Experience

**Inceptionpad Inc.** — *Intern* July 2022 — Present

<http://www.inceptionpad.com>

- Conducted QA and regression testing for web applications to verify functionality, identify defects, and support release readiness.
- Assisted with identifying POS service signatures for Emerald Intel, supporting data validation and service classification workflows.

**Solidcore** — *Quality Engineer* October — December 2025

<https://solidcore.co/>

- Performed regression testing on solidcore iOS and Android applications to validate new releases and ensure core features functioned correctly.
- Created test cases in Xray based on discovered defects to improve future regression coverage and prevent recurring issues.

**Nine Tailed Fox** — *Host/Translator/Assistant Kitchen Manager* July — August 2025

<https://ninetailedfoxbalt.com/>

- Improved food preparation workflows to increase service speed and reduce order errors during peak hours.
- Supported management with shift scheduling, inventory coordination, and daily operations using Microsoft Word, Excel, and Restaurant365.

**Kohl's** — *Customer service representative* Dec 2023 — May 2024

<https://www.kohls.com/>

- Assisted 60+ customers per shift with checkout, Amazon returns, product inquiries, and floor support while maintaining efficient customer service.

**Garrison Forest School** — *Camp Counselor* June — August 2023

<https://www.gfs.org/>

- Supervised 30+ students while ensuring safety, engagement, and smooth daily camp operations.
- Planned and led daily recreational and educational activities for diverse student groups.

## Skills

Programming: Python, Java, C, SQL

Testing & QA: Regression Testing, Bug Reporting, Test Case Design, Xray

Tools: Microsoft Excel, CircuitLab, Restaurant365

Languages: Mandarin Chinese, English

Certification: Intro to Computer Science in Python 3

## Volunteering and Interests

**Volunteer:** Friendly Faith Farm (2022— 2023)

**Interests:** Piano, Guitar, Badminton
